Re: Hazardous Waste Compliance Inspection  
EPA Identification Number KSD007237290

Dear Mr. Peters:

I have reviewed your written responses and faxes which address the violations cited during my September 30, 1998 inspection of Excel Industries, Inc. Based on the information provided in your responses and information obtained in our numerous telephone conversations, you have satisfactorily addressed all the violations listed on the Notice of Compliance/Non-Compliance completed on the day of inspection.

Please send copies of sign-in sheets for your impending hazardous waste training (alluded to in Excel's internal memorandum dated May 3, 1999) scheduled for May 4-6 & 10-12, 1999. Also, your weekly inspection form, revision date March 4, 1999, is acceptable.

Thank you for your cooperation with the hazardous waste management program of Kansas. If you have any further questions regarding the inspection or this letter, you may contact me via telephone, fax or e-mail listed below.

Respectfully,

Gilbert L. Perez, CHMM
